Truly,

Betty Ollër Mozisen

After twelve years of research I am begining to wonder if my George Oller is my immigrant and came to MD at an early age.

I talked to Darlene Thomas on the phone. She is a hard person to convince she has made an error. She has Andrew 3060✓ Ohler B 1734 s/o ~~B~~ John Peter Ohler the immigrant married to a Margareth Shrior. Andrew's records most all in MD only name a wife Elizabeth. When he writes his will at 70 y/o in Somerset Co. MD. he is still married to that Elizabeth. In PA Andrew is an Ohler. In MD. he

is an Owler. When he writes his will in 1804 he is an Oller/Oler. But his children take the name Oller, Oler and OHler. His (Andrew's) brother George is married to a Shrior - Susanna! George is the one that dies in 1768 in Frederick Co. MD and has a young daughter Elizabeth. I have never found out what happened to Susanna the widow. I am sure she remarried because she was young.

Thank you for your package! At least I have enough from you for lots of eliminations.

Please give me the name and address of the person who will be taking over when you are too ill to "keep up the good work".

I forgot to enclose something on the
32691 Anthony Owler/Ohler/Ailer/Aeler/Oehler etc
32692 that married Catherine Smith and
died in VA 1800-1810 (can't remember the date).
He did have a second marriage and I
believe you have it listed.

Anthony's son John 32698 went to Oglethorpe Co. GA. In some misc papers in Rockingham Co, VA after the father died it mentioned an "heir in ~~Ogle~~ Oglethorpe Co. GA. John was the first son - George was the 2nd - ~~on~~ and the rest were females.

IN THE PROBATE COURT OF BUCHANAN COUNTY, MISSOURI,

JUNE TERM, 1920.

In The Matter of The Inheritance Tax on The Estate Of

Peter E. Iler,

Deceased.

To The Honorable Probate Court of Buchanan County, Missouri:

Your petitioners respectfully represent to the court that Peter E. Iler, a resident of Omaha, Douglas County, Nebraska, died intestate in the City of Omaha, in Douglas County, Nebraska, in the month of January, 1920.

That at the time of his death he was owner in fee simple and had been such owner for many years, of Lots 59 - 60 - 78 - 77 - 76 - 75 - 74 - 73 - and 72 in Sulphur Springs, a subdivision of the Northwest quarter of Section Twenty-Nine (29), township Fifty-Seven (57) Range Thirty-Five (35) in Buchanan County, Missouri, a plat of which is on file in the office of the Recorder of Deeds of said county.

That at the time of the filing of said plat there was a road or avenue known as Weston Avenue thereon, afterwards called Old King Hill Road, which lay on the East side of said lots, and that by special ordinance of the City of St. Joseph, Missouri Number 3328, approved October 28th, 1904, said avenue by the description of Old King Hill Road was vacated, so that the west thirty (30) feet of said avenue which was sixty (60) feet wide on the plat, reverted to and became a part of the property of said Peter E. Iler as owner of the lots west of said avenue.

That said Peter E. Iler at the time of his death was a widower and left surviving him four (4) children, whose names and residences are as follows:

William E. Iler, permanent residence: 1248 South 10th St., Omaha, Neb.
Temporarily living at No. 6042 Walnut Street, Kansas City, Missouri.

Mrs. May Iler Weitzel, 1248 South 10th Street, Omaha, Nebraska.

Mrs. Edith Iler Edwards, Hanford Hall, Cranford, N. J.

Mrs. Bess Iler Hamilton, 1248 South 10th Street, Omaha, Nebraska.

That he left no other children surviving him, nor any decendants of deceased children.

That the estate of said Peter E. Iler is now in the course of administration in the Probate Court of the State of Nebraska in Douglas County in said State, and is solvent; that no administration, whatever, has taken place or is contemplated in the State of Missouri.

That no proceedings have been had for the ascertainment of the inheritance tax chargeable upon said real estate, if any.

Your petitioners state that the value of said real estate is less than Twenty Thousand Dollars ($20,000) and probably not in excess of Fifteen Thousand Dollars ($15,000) and that they have been

advised that no inheritance tax, under the laws of the State of Missouri regulating the inheritance tax, is charge~~d~~able against said property or against your petitioners as owners thereof by descent.

WHEREFORE, They ask that this real estate be declared free of any inheritance tax chargeable under the laws of the State of Missouri, but if the Court be not satisfied that such order should be made, that the Court will forthwith appoint an appraiser to view and appraise the value of said property, and to report to this Court the findings in relation thereto.

William E. Iler.

Mrs. May Iler Weitzel.

Mrs. Edith Iler Edwards.

Mrs. Bess Iler Hamilton.

By A. A. White
Attorney.

STATE OF NEBRASKA)
COUNTY OF DOUGLAS) SS

Mrs. May Iler Weitzel, being duly sworn, upon her oath states that she has read the above and foregoing petition; that she is one of the persons named therein as one of the heirs of Peter E. Iler, deceased, and for herself and the other petitioners states that the matters and things as stated in the above and foregoing petition are true as she verily believes.

May Iler Weitzell

Subscribed and sworn to before me this 9th day of June, 1920.
Witness my hand and official seal.

Kenneth S Finlayson
Notary Public.

IN THE PROBATE COURT OF BUCHANAN COUNTY, MISSOURI.

JUNE TERM, 1920.
June 11th 1920.

In The Matter Of the Inheritance Tax On The Estate Of

Peter E. Iler,

Deceased.

Now come W. E. Iler, Mrs. Mary Iler Weitzel, Mrs. Edith Iler Edwards, and Mrs. Belle Iler Hamilton, children and heirs of Peter E. Iler, late of Douglas County, Nebraska, deceased, and their petition heretofore at this term filed asking that the Court ascertain if any inheritance tax is due by said estate or by these petitioners as heirs of said Peter E. Iler upon the property of said Peter E. Iler in the State of Missouri is taken up; and the Court hears the evidence and finds that said Peter E. Iler was survived by his four (4) children above named, and that at the time of his death he was owner in fee simple of Lots 59 - 60 - 78 - 77 - 76 - 75 - 74 - 73 - and 72 in Sulphur Springs, a subdivision of the Northwest quarter of Section Twenty-Nine, (29) Township Fifty-Seven (57) Range Thirty-Five (35) in Buchanan County, Missouri a plat of which is on file in the office of the Recorder of Deeds of said County, and that at the time of his death there was, in addition to said Lots, a strip of ground thirty (30) feet wide on the East side thereof, formerly a part of Weston Avenue or Old King Hill Road, which avenue or road had been vacated by an ordinance of the City of St. Joseph, and that he owned no other property in the State of Missouri.

The Court further finds from the evidence that the value of said property at the time of the death of said Peter E. Iler did not exceed Twelve Thousand Dollars ($12,000) and that each of said heirs is entitled by the Statutes of Missouri to an exemption of Five Thousand Dollars ($5,000), so that no inheritance tax, whatever, is due from them as heirs or is chargeable against said real estate, and orders that no appraiser be appointed for the purpose of ascertaining the value of said land or the amount of tax to be assessed against it under the inheritance laws of the State of Missouri.

Vern Gingerich

September 12, 1918 - September 12, 1998

Vern Gingerich died of natural causes on September 12, 1998.

He was born September 12, 1918 in Kalona, Iowa to Lydia and Simon Gingerich. He married Verla Cover in Jacksonville, Florida on September 9, 1941. He served as an Aviation Machinist Mate 3rd Class in the Navy Air Corp from 1944-46. Vern owned and operated the Ute Pass Phillips 66 station in Manitou Springs, Colorado from 1948-56. He also served as Mayor of Manitou Springs for 2 years. He became an Insurance Agent for National Old Line Insurance Company in 1956.

He, his wife and daughter moved to Grand Junction in 1958, where he sold insurance full time. The family then moved into a new home, designed and built by Vern, in Rifle, Colorado in 1965.

Vern was an avid low par golfer and played many years at Rifle Creek and Battlement Mesa Golf Courses. He had done extensive outside work at the Rifle Creek Golf Course. He also served as President at the Rifle Creek Course and served on the golf board. Vern and Verla took vacations in January to warmer climates, always looking for the better, more challenging courses to play. Vern was also an avid gardener. He had the most beautiful roses growing in Rifle that were always the talk of the neighborhood. His lawn was the envy of many–"smooth enough to putt on". His rock gardens, lawn and roses earned him the title of Best Landscaping from the Rifle Garden Club. Vern was always helping, building, refinishing and always finding ways to beautify and enhance all around him.

Vern and Verla sold their Rifle home and moved to Grand Junction in November of 1997.

He was an avid fisherman who spent many enjoyable seasons on the Madison River in Montana. He always seemed to be bringing home one or two extra rainbow trout for friends who weren't as lucky to find time to fish.

Vern was a very proud and honorable man. He believed his word and his handshake was his bond. He was proud of all his family and will be missed by all who came in contact with him. He was a great charitable and loving man who will be eternally missed by his family.

Vern is survived by his wife of 54 years, Verla; two children, son Terry of Los Cruces, New Mexico and daughter Kathy of Grand Junction; daughter-in-law, Anita Gingerich of Colorado Springs; four younger brothers and their wives, Clayton and Thelma, Eldon and Lettie, Ralph and Charlotte and Wayne and Helen, all living in California; 4 grandchildren; and 8 great

Mary A. Osborn

December 14, 1918 - August 18, 1998

Memorial services to celebrate the life of Mary A. Osborn are scheduled for 11:00 a.m. Saturday, September 19, 1998 at Vineyard Christian Fellowship, 2971 North Avenue.

Mary was born December 18, 1918 in Saskatchewan, Canada to William N. and Marie L. Oyler. She spent her childhood in Olathe, Colorado and graduated from Ouray High School. She attended teacher's college in Greeley, Colorado and began her teaching career in Fruita, Colorado, where she taught first grade. She later taught kindergarten for many years at the Grand Junction Jaycee Nursery and Kindergarten in Grand Junction.

She married W. Glen Osborn on May 18, 1941 in Fruita. He preceded her in death. Survivors include her daughters, Cheryl Osborn Cox and her husband, Dan, of Grand Junction and Laura Osborn Thomas and her husband, Mickey, of Chico, California; seven grandchildren, Michelle Thomas, Christine Montgomery, Angela Thomas and Mark Thomas, all of Northern California and Wendy Finlaw, Mary Cox and Jon Cox, all of Colorado; and one great grandchild, Max Montgomery.

Mary will best be remembered for volunteer work and her extraordinary love for children. She gave meaning and expression to the term "good neighbor". She was a Girl Scout leader for some twenty years, active in P.T.A., Vacation Bible Schools, a member of Friendly Service Club, delivered Meals on Wheels and shopped for the blind.

Her hobbies included yard work (both her own and the yards of others) and of course, baby-sitting, for her family as well as for the many friends whose children loved to spend fun-filled hours at Mary's.

Memorial contributions may be made to the Patient Activities Department of Family Health West, P.O. Box 130, Fruita, Colorado 81521.

Bay leaves

From the evergreen laurel tree native to the Mediterranean, bay leaves are imported from Turkey. They have a woody, astringent flavor with a hint of mint.

■ **Uses:** Meat and vegetable dishes, soup, sauces and, sometimes, custards. Vital in bouquet garni.

■ **Cuisines:** French, Mediterranean and Indian.

■ **Tips:** Remove bay leaves before serving; crumble before adding if more flavor is desired.

■ **Flavor affinities:** Parsley, thyme, other Italian seasonings.

Cayenne

The ground form of the dried, ripened fruit pod of *Capsicum frutescens*, native to tropical America, the West Indies and South America, is called cayenne. Unrelated to pepper berries of the Eastern world, it is still sometimes called red pepper.

54456

■ **Uses:** In spice blends, barbecue rubs, chili, spaghetti sauce. Crushed pepper is often sprinkled on salads, pizza and other foods at the table.

■ **Cuisines:** Cajun, Mexican, Chinese, Thai, Indian, Indonesian, North African.

■ **Tips:** Available ground and crushed. Use sparingly, to taste; only a few shakes can set mouths afire. Store in the refrigerator as it's prone to bug infestation.

■ **Flavor affinities:** Cilantro, basil, ginger, oregano, cinnamon, black pepper, cumin, fennel and flat-leaf parsley.

Cinnamon

Most cinnamon brought to the United States isn't really cinnamon at all, but cassia, from the bark of an evergreen grown in Southeast Asia. True cinnamon comes from Sri Lanka, where it is grown plantation-style and harvested from the small branches of old trees. Ground or stick form.

■ **Uses:** Ground, it is used in cakes, buns, cookies and pies, stewed fruits and curries. In stick form, it is used in beverages includ-

This fam. in 1870 Federal Census, Pike Co. IL p. 10B. Vol. 46, Roll 269. In 1880 Census same area, Porter (Port) was listed as Widowed and no ch. listed with him.

* * His father, John ILER, was listed in the Federal Census for 1850 Pike Co., Illinois & it listed his (Porter's) brothers & sisters & no mother as she must have died before 1850. Porter was 20 & on his own by then.

I also have Porter's Civil War-1863-Draft registration record showing his place of birth & that he was married.

Re Peter Sr/
Jr.

Well, I have the proof of Peter Oller Jr.'s(born 1749 died 1823 Va) father, thru a deed in 1835 by Peter Jr.'s son, George.

Peter Oller Sr. born about 1720-25 bought a town lot in Shepherdstown Va in 1772.
He lived on this land over 20 years and sold it as Peter Oller Sr. in 1793.

In 1835 George Oller son of Peter Jr. sells some piece of "personal property" that belonged to Peter Oller who died intestate in the county. The deed states that
George Oller has inherited it "through due course of law as a descendant". Or something to that affect with out me pulling it out. Since Peter Oller Jr. had a will
then the Peter Oller who died intestate was Peter Sr.

I have no evidence that Peter, Conrad or Frederick descended from the Eyler's. And
if someone has proof it better be good.

If I read this
correctly Peter/Welshans
is Jr. not Sr. as so
many submitters write
— Making his son
Peter III (not Jr.) and
Peter/Kaer is the Sr.

Colonel William D. Uhler Dead.

News of the critical illness of Colonel William D. Uhler, chief engineer of the Pennsylvania State Highway Department, who was formerly connected with the Maryland Roads Commission, was received here Monday night when Mrs. H. Earle Smith was summoned to Harrisburg by Mrs. Uhler, her sister. Colonel Uhler is suffering from a paralytic stroke, and his condition is extremely critical. He was Caroline county's first roads engineer and from 1908 to 1912 was with the Maryland Roads Commission. Colonel Uhler was an officer in charge of ordnance during the war, and is well known in engineering circles. He has a fine estate at Williston, in this county.

A telegram received here yesterday afternoon announced the death of Colonel Uhler at six o'clock Friday morning. His body will be brought to Denton tomorrow, and funeral services will be held at the home of Mr. H. Earle Smith on Monday afternoon.

Colonel Uhler has been recognized by the construction industry as one of the leading highway engineers of this country. Governor William C. Sproul was deeply grieved and shocked to hear the news of Colonel Uhler's death.

The deceased was a member of the American Society of Civil Engineers, the American Society for Testing Materials, a member of the executive committee and a past president of the American Association of Highway Officials and a member of the International Association of Road Engineers.

Colonel Uhler was one of the first engineers in the United States who saw the advantage of an actual service test for roads, and when connected with the City Highways Bureau of Philadelphia, built the first service test road in this country. He was very much interested in various societies for the promotion of highway engineering and research work. The specifications and standards used by the Pennsylvania Highway Department while he was chief engineer have been adopted by the majority of the States and several of the provinces of Canada. It is impossible to go into any phase of modern highway development in the last twenty years without encountering some activity of Colonel Uhler. He was one of the earliest advocates of modern methods of hard road construction, firmly believing

DEATH OF COL. WM. D. UHLER

One Of Foremost Highway Engineers In Country—Obsequies Here.

The body of Col. William D. Uhler, whose death on Friday of last week at his home in Harrisburg, Pa., was noted in last Saturday's JOURNAL, was brought to the home of his brother-in-law, Mr. H. Earle Smith, in Denton, on Sunday. Funeral services, conducted by Rev. Vinal E. Hills, were held on Monday afternoon, and interment was made in Denton cemetery. Members of the American Society of Civil Engineers, with which the deceased was prominently connected, served as pall-bearers. Masonic rites were read at the grave. There were many beautiful floral tributes. A number of Pennsylvania State officials attended the obsequies.

Colonel Uhler was a native of Nazareth. From 1890 to 1895 he was with the Engineering Department of the Lehigh Valley Railroad; and later, for eight years, was with the Queen Anne Railroad in various capacities, from assistant engineer to chief engineer and general manager. In 1908, after four years as county roads engineer for Caroline county, Colonel Uhler was put in charge of surveys and plans for the Maryland State Roads Commission, and later in charge of maintenance. In 1912 he resigned to become principal assistant engineer of the Philadelphia Bureau of Highways, and he served in that capacity until he was appointed chief engineer of the State Highway Department by Governor Brumbaugh.

there was a dau., Veronica ?; the remaining daus. not named, but mentioned. Are there extant land records that would reveal these daus. names? This fam. name is also found as TOOPES/DUBBS/DOOPES, etc. Surely, there must be records indicating Oswald's daus. as they reached maturity & received land or property; also perhaps guardianship records 1766 + ?? Can anyone help? Research has been done on this fam. & a MSS is held at Sale Lake City, UT on film; also, The Lancaster Co. Connections by Hawbaker has published material on the BAUGHMAN line. Any help or proof on the daus. of Oswald & Salome will be greatly appreciated & gladly reimbursed.

when a new school was opened there, with Joachim Sensemann and wife in charge of the household and Hans Petersen serving as preceptor, the whole under the general superintendence of John Ettwein and Francis Boehler with their wives, now in charge of the entire department of work among the children at outlying places. This school existed when the dire times to be treated of in the next chapter suddenly brought such peril to old and young at these places.

Antes, after he returned to his farm, seems not to have visited Bethlehem until the following spring. He came early in March, to transact business, and went up to the Bushkill to examine the new mill and see that it was operating properly. He also had consultations with those in charge of the work, in reference to the enlargement of the grist-mill at Bethlehem, the building of a fulling-mill in connection with it, needed repairs to the bark-crushing-mill and the dye-house, the proposed extension of the Sisters' House and the building of another wing to the west of the Children's Home ("bell house") occupied by the boarding-school for girls, to contain a larger place of worship, a wing having been added on the east side in 1748, and one to the west in 1749. Some of these tasks were then being commenced. The large accession to the working-force the previous June[12] rendered these undertakings possible, and the expectation of yet other colonists in the course of the following year, made it desirable to proceed with them as rapidly as possible.

---

[12] This large number of young men, mainly from Herrnhaag, in part also from the settlements of the Church in Holland, has already been referred to. They came under the leadership of Henry Jorde and are sometimes called the "Henry Jorde Colony." There were 81 besides Jorde, one of them being a Negro called "London," and they were accompanied by two married couples; the Rev. Frederick Emanuel and Susan Maria Herrmann, and Francis and Sophia Steup. The most important man among them was Dr. John Matthew Otto, the second, and more distinguished, of these two brother-physicians of Bethlehem, referred to in a previous chapter. This colony sailed on the *Irene* from London, May 9, put off from Dover, May 11, and reached New York, June 22. It is stated that they came up the bay enveloped in such a dense fog, the entire way from Sandy Hook, that all the seamen in the harbor were astonished at Captain Garrison's skill. They arrived at Bethlehem in squads, from June 25 to July 2. On July 13, thirty of them located at Christian's Spring. The following is the list for reference:

Dear Morgan,

I wish to continue to receive the ILER NEWSLETTER.
I do appreciate all your hard work and the great information you share in it.

My ancestors is the TO line in Mississippi and Louisiana.
Lula ILER is my grandmother (1873-1914) married Joseph T. Smith.
These two pictures are of her.
Also I'm enclosing a copy of Abram ILER's 1834 will just in case you never knew of it.
Abraham's parents are Mark Iler born abt 1750 and Jemiina (?) my gggg-grandparents. In one of the ILER NEWSLETTERS you mention that this line of ILERS fought Indians in Kentucky before going to Mississippi. I've search the web looking for more info on this, but so far I haven't found anything about it. What source did you find this info?

I want to thank you for doing the "ILER NEWSLETTER". Even though I'm a WILSON, the ILER line is my favorite to research.

Here is a book of stamps to help out with the expense.
Thanks again!

Abram Iler Will

March 1834

In the presence of the Living God I Abram Eiler being of sound mind but fully impressed with a sense of the inconstancy of all Earthly blessings and of the shortness and uncertainty of Life, do with humility striving to forgive those who have done me wrong & asking the forgiveness of such as I may in any Injured, Constitute and ordain this Instrument to be my Last will and Testament and having reached that bourn beyond which our Eyes see nought, may my memory be undisturbed and my soul rest in peace Amen -

Having solemnly Counciled with my own mind as to the disposal of my property my will and desire is that all property composing my real and personal Estate shall be sold at such time and on such credit as the exigency of my Debts may demand, all of which my Executors will Liquidate as speedily and with as little inconvenience to my Estate as they may Judge prudent, all property so sold on a credit is to be sold, on notes bearing Interest and Satisfactorily indorsed and secured by mortgage or Deed of Trust

To my well beloved Wife the Mother of all my children Pheeby Eiler I give and bequeath the full sum of Two thousand Dollars out of the profits

of which I now hold possession,
To my Son John Eiler who has heretofore received of me and for whom I have paid as his security and otherwise at best the full amount of fifteen hundred dollars, and which said sum of fifteen hundred dollars is to be accounted as so much money paid him under this testament, And he is hereby released from all responsibilities to me and my Estate therefor, I hereby give and bequeath unto him such other and additional to the aforesaid $1500 as shall with the aforesaid Specified $1500 make an amount Equal to the sum herein bequeathed to any one of my children, To my daughter Polly the wife of Joshua G. Ruttledge, I give and bequeath the sum of one hundred Dollars,

To my daughter Elizabeth the wife of Greenbury Maurice I give and bequeath the sum of Five Hundred dollars,

To my Sons Thomas M. Eiler I give and bequeath the sum of one hundred dollars & James Maddison Eiler the sum of One hundred dollars,

To my children William Eiler, Alexander Scott Isler Levina Eiler and Robert Greenbury Eiler the sum of one hundred dollars Each.

To Mrs Martha Ann Eiler the widow of my son Jonas Eiler deceased, I give and bequeath the sum of Ten dollars and I do in my soul regret that the smallness of my Estate and other circumstances do

not enable me to enlarge the Sum

To my Grand daughter Pherby Sarah Ann Eiler the daughter of Josias Eiler my deceased Son the sum of one hundred dollars, and now whereas I trust that after paying all my debts, there will be a considerable amount of property left out of my present property and such as shall hereafter accrue to my Estate on the account of Rights and debts due me & property now in action which may hereafter be recovered, I hereby declare that my will and desire is that all such surplus over and above the amount my debts and the aforesaid bequests shall be equally divided between my wife Pherby Eiler and my Children John Eiler, under the provision heretofore Stated as it regards him as to the said Sum of $1500 which is to be fully attended to in this present division of such surplus in ascertaining his portion thereof (Polly Rutledge to her sole use and benefit independent of her said husband, and over which he is to have no control or ownership) Elizabeth Maurice, Thomas Mark Eiler, James Madison Eiler William Eiler, Alexander Scott Eiler, Levina Eiler and Robert Greenberry Eiler, each Individual of the above named individuals to receive each an Equal portion of said surplus according to the explications heretofore given.
